Kentisbeare Junior Cycling Club choose a stunning weekend for their autumn challenge ride on 16/17 October this year. Blue skies, bright sunshine and dry roads provided perfect conditions for the 30 riders, aged from 7 to forty something, to weave their way on quiet back lanes for 65 miles through beautiful countryside from Kentisbeare to Minehead and back.

As well as the cycling highlight of once again crossing the 1,000ft contour on their way across Exmoor, this tour was notable for a journey on the West Somerset Railway from Minehead to Bishop's Lydeard. All 30 bikes were loaded on the Lorna Doone coach which was specially coupled-up for the club at no cost. Now that's what you call service! The ride home on the Sunday was therefore a little bit shorter and easier than the ride up and over Exmoor the day before.

KJCC's support and catering teams did a great job as always at the village hall stops at Uplowman, Morebath and Nynehead and Sean and Tina Henry had some lovely hot supper ready at the hostel in Minehead. KJCC riders are always hungry!

KJCC meets regularly throughout the year. Go online to www.kjcc.org.uk for their current ride diary.
